

Relay For Life of Cole County Luminaria Dedication Form

What is the Luminaria Ceremony?

The setting sun represents a cancer patient's journey as they see the darkness and fear of their upcoming battle. At dusk Relayers honor those fighting and remember those lost during the luminaria ceremony. Luminaria bags are illuminated after dark. Each luminaria is personalized with a name and short message. Luminarias can also be dedicated in support of a caregiver or medical professional. Each luminaria candle represents a person. They are our mothers, fathers, sisters, brothers, aunts, uncles, nieces, nephews, grandmothers, grandfathers, friends, coworkers, and so many others. Please consider lighting a candle for someone you love who has been affected by cancer.

White In Honor(living)/In Memory(deceased)

Gold Caregiver Bag

This is our second year offering the Caregiver Luminaria Bag. This is a way for survivors and loved ones to honor their caregivers for all their help during their battle.

This is also our second year offering the option of submitting a photo in Memory of a loved one that has passed away. This will be an additional \$5 donation and the photo will be included in the Luminaria Ceremony at the Relay. A digital photo can be emailed to rflcolecoun tyluminaria@gmail.com or a hard copy can be brought by the American Cancer Society office (2409 Hyde Park Rd, JC) or mailed in with this form to be scanned. Original photos will be held for pick up until June 30, any remaining photos will be discarded after that date. Please include the name of the individual with the photo.
